

Dear Commission:

As a concerned citizen of Ohio, I strongly oppose the current proposed redistricting map, such as the one from Sen. Huffman. We Ohio voters mandated a change from the currently gerrymandered districting map. We expect this commission to uphold their part to end this obscene gerrymandering. The Huffman map is unacceptable as it does not give equal opportunity for every voter's choice to be considered. Please adopt the Ohio Citizens' Redistricting Commission Unity Map.

Thank you.
